

Howdy Do

Howdy Do (*Howdy Do*), Howdy Do (*Howdy Do*).

It's so good to see ya, Howdy Do!

It's been a long, long time since I've seen such happy smiles.

It's so good to see ya, Howdy Do! (*Howdy Do*).

Shake your neighbor's hand and tell them that it's grand
To see them on this fine, fine day.
Tell them "Howdy Do" a half a time or two.
It's so good to see ya, Howdy Do.

(Chorus)

We may have never met, and I never will regret
To sing for you on this very day.
The smile on your face and the kindness in this place.
It's so good to see you, Howdy Do.

(Chorus)

I've been on this road so long, singing these here songs,
Hoping for some time to rest my head;
But when I see the children here, it gives my spirit cheer.
It's so good to see you, Howdy Do.

(Chorus)

It's so good to see ya, it's so good to see ya, it's so good to see ya, HOWDY DO!
